

AI & Robotics Workshop

On 13th September 2024, St. Aloysius Orphanage & Day School on behalf of Archdiocesan Schools had organized a Workshop on AI & Robotics.

The day began with an inspiring speech by Father Lucas D'cruze , Inspector of Archdiocesan Schools. Reverend Father Devraj Fernandez , Principal , St. Aloysius Orphanage & Day School inaugurated the programme with a valuable speech.

Resource Personnel:

(1) Mr. Hrishikesh Patel, representing AMAZEHEADS (INSPIRING YOUNG MINDS).

He has shown a self-driving car robot that detects an obstacle on its own as well as some innovative robotics application specially designed for students.

(2) (a) Mr. Amandeep Singh , Chief Business Officer, TECHVEIN

(b) Mr. Mohit Kumar, AI, Robotics Trainer, TECHVEIN

(c) Mr. Suvam Paul, CBO, TECHVEIN

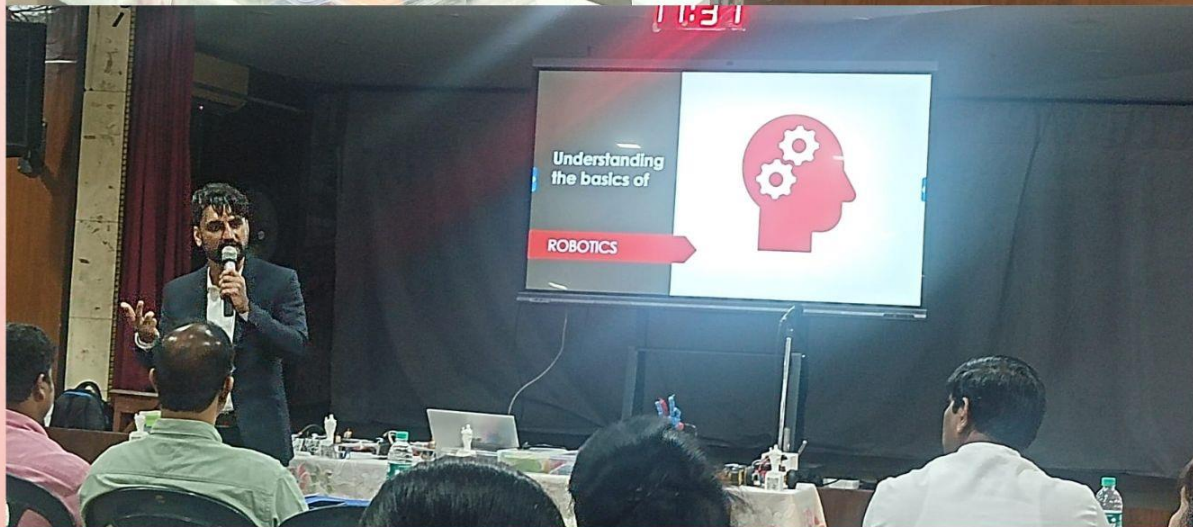

(d) Mr. Subirendra Chakraborty, AVP, TECHVEIN

They have given brief introduction about Robotics, AI, & 3D designing. They have conducted some fun experiments and learn the science & technology behind them. They have shown a robot car with the help of blue tooth technology to learn about light, sound and motion. They also encouraged active participation among all the Teachers as well as Fathers & Sisters, who have attended the workshop.
