

Children's Day Celebration 2024

On 14th November, the teachers of the school organised a vibrant Children's Day programme to celebrate the students. The event was conducted in two shifts—one for classes 6 to 8 and another for classes 9 to 12.

The programme commenced with the garlanding of Pandit Jawaharlal Nehru's portrait, followed by a prayer and a graceful prayer dance. The teachers enthralled the students with a delightful lineup, including a hilarious skit, energetic Bollywood dance performances, melodious song renditions, and heartfelt poem recitations. A special PowerPoint presentation showcased cherished memories of students in school, bringing smiles and nostalgia to all.

Adding to the celebration, the office and support staff sang songs, expressing their love and care for the students. The highlight of the day was the One Minute to Fame segment, where students showcased their unique talents on stage. Throughout the programme, quiz questions were posed to the students, and those who answered correctly were rewarded with chocolates by the Principal.

The event also featured friendly games for the students and an exciting Tug of War between the teachers and students, which sparked great enthusiasm. To sweeten the day, all children were treated to goodies like cakes, biscuits, and soft drinks.

It was a joyous and memorable day, leaving the students brimming with happiness and gratitude.
