

Feast Day Celebration 2025

St. Aloysius' Orphanage and Day School celebrated the Feast of its patron saint on 21st June 2025 with the theme "Eco Vibes", highlighting environmental awareness and care for creation. The day began with a solemn Eucharistic celebration led by His Grace, Most Rev. Thomas D'Souza, followed by the blessing of the school building and a newly installed elevator.

The vibrant cultural programme featured dances, a skit titled "Anukul", and the release of the third edition of the school magazine Insperia. A plantation drive was conducted, and 100 fruit saplings were donated to Seva Kendra Kolkata. Staff members with 100% attendance and the ICSE and ISC 2025 toppers were felicitated. The event concluded with the vote of thanks. It was indeed a day of joy, gratitude, and meaningful celebration.
