

International Labour Day Celebration 2024

St. Aloysius Orphanage and Day School observed the may day on 18th june, 2024 as during the month of may , the school had shifted to online teaching due to heatwaves.

A short programme was put up by the teachers and students to express their love and gratitude to all the dear support staff of the school. The programme included a prayer service, powerpoint presentation, dance and a song. It was such a delight to have some of the support staff share the stage with their speeches and songs. All of them were thanked and their work was appreciated by our Principal Rev FR. Devraj Fernandes.

🌟 HAPPY 🌟
MAY DAY 2024
